Mountain Biking Breakaway

2 nights Mlilwane Wildlife Sanctuary / 1 night Hlane Royal National Park

X

X

Day 1 Arrive Mlilwane Wildlife Sanctuary & check in to chosen accommodation - Reilly's Rock Hilltop Lodge / Down Gran's Cottage / Rest Camp / Sondzela Backpackers

Purchase a map at Sangweni Gate or Reception.

Spend the last golden hours stretching the legs on the plains. A fun 20km route is easily explained, which includes single track, dirt roads and varying habitat covering most of the plains. Always keep an eye out for hippo and return to Camp well before sunset.

Dinner at your chosen lodge

Day 2 Rise for an early breakfast and head up Nyonyane Mountain to the degree that suits your fitness... Either follow the furrow roads along the base, the Mantenga 4x4 Track & single track to the east or go for the biggie, up and over Nyonyane - it's a great crank! It might not offer high mileage, but it certainly offers a constant climb, fabulous views and amazing downhills. Please remember always - wildlife has right of way.

Return to a cool pool or soak in Manzane Warm Springs before settling down to a scrummy lunch at the Hippo Haunt Restaurant, Rest Camp.

Head out to explore the craft routes of Ezulwini and Malkerns or enjoy a bit of R&R.

Day 3 After breakfast, enjoy another ride, either visiting your favourite areas and trails, or trying a new one.

Return to freshen up and check out of accommodation.

Have lunch en-route to Hlane Royal National Park – Sambane Coffee Shoppe, Mandela's Restaurant and Summerfield Resort are all highly recommended. Spend time at the craft markets, or head straight to Hlane.

Check into accommodation - Ndlovu Camp (no electricity) or Bhubesi Camp

Book onto a sunset drive to get a feel of the area.

Day 4 Early rise for a guided SunUp Cycle to Mahlindza Dam for coffee and snacks, departs from Ndlovu Camp. The terrain is flat but sandy and the distance is less than 10km return. A longer cycle can be arranged with the guides.

Please note cycling at Hlane is all guided, and the chance of punctures is extremely high!

Return to Ndlovu Camp for breakfast & freshening up before departing Hlane.
