Day 2: Rise with the birds for a Guided Birding Walk or Game Drive returning to camp for breakfast. Alternatively pack a breakfast basket with hot coffee and head to Hunter's Rock or Mahlindza Dam to see the day in.
Return for some R&R in the camp, grab a book and relax under the trees.
Take in the evening light on a game drive, with cameras handy for those special moments. The bush veld birds are amazing - binoculars are always a great friend!
