Visiting The Kingdom of Eswatini’s Big Game Parks can be done in a variety of ways, tailored to suit different interests and budgets. Safari Eswatini Holiday Packages are designed to promote the most comprehensive and holistic experience of each park, while giving different options.

**HLANE ROYAL NATIONAL PARK**
Closest town: Simunye

Set in the lowveld with big game, the two activities that epitomise Hlane are game drives and game walks focusing on wildlife and birding. The packages are designed to offer both of these, visiting different areas of Hlane and diversifying the experience. The game walks are limited to over 13 years of age, while game drives allow for 6 years and older in the endangered species areas and any age in the greater Hlane.

Different activity combinations are available should guests prefer, which may adjust the rate. Self-drive is possible in certain areas of Hlane.

Hlane’s accommodation includes self-catering and catered accommodation, and both are available for couples, families and small groups. Rates are based on per person sharing, with a much reduced third person sharing rate in the larger units. Child rates are available too. Therefore the average cost per person in group accommodation decreases with each additional person.

Guests may stay on self-catering or catered basis, with or without activities – all tailored to their budget. The restaurant happily caters for lunches and self-catering guests staying in Ndlovu Camp. The package excludes Conservation Fee and Lunch, Wild Card welcome.

**MLILWANE WILDLIFE SANCTUARY**
Closest town: Ezulwini

Hiking, Trail Running, Mountain Biking and Horse Trails with Chubeka Trails

Millilwane is a middleveld Sanctuary with incredibly diverse terrain including undulating plains, river valleys and Nyonyane Mountain. Guests are free to walk, cycle and run on the roads and designated trails – hence it is known as **Eswatini’s Outdoor Lover’s Paradise**! Self-drive is permissible. Guests may focus on one activity, or enjoy different activities each day. Guests are welcome to bring their own bikes at no additional charge.

Our packages have been created for those that enjoy self-guided activities, with exception of the horses which are always guided. The use of the trails is covered in the daily Conservation Fee, which is excluded in the packages. Millilwane is a member of the Wild Card programme and valid Wild Cards are welcome.

Millilwane offers couple, family and group accommodation, suitable for singles too, with rates based on per person sharing. Where applicable, we have much reduced third person sharing rates and child rates are available, making the average cost per person in group accommodation more affordable with each additional person.

Some units are equipped for self-catering (both couple and group options available) while others are not. The self-catering units, with exception of Aloe Cottage, are situated in the Rest Camp within walking distance of the restaurant and catered meals are always an option.

Millilwane is located in the Ezulwini Valley, allowing easy access to the many tourism hotspots in the area. The Malkerns craft circuit is an easy 20km drive, with Gone Rural, Baobab Batik and Swazi Candles being the highlights. Restaurants include Malandelas, Vickery Seedlings and Sambane Coffee Shoppe. The Ezulwini area offers numerous restaurants and shopping centres for groceries. Ngwenya Glass is a must-do destination near Ngwenya/Oshoek Border.
