CAMP LAYOUT

A giant Sausage tree, *Kigelia africana*, takes centre stage, with the Reception, Dining Area and Executive Lounge nearby discretely created in a mature riverine forest. Sand paths into the bush reveal private accommodation units, each named and numbered.

Central Area – Reception, Dining (open air, thatched roof, sand floors), Curio Shop and Executive Lounge with Information Centre

Accommodation – a central path through the forest off which paths branch to individual units

Kirky's Hide – across the dry river bed, observing a seasonal pan
